MORALE OF CREWS:

Crews are all doing well.

INJURIES:

No new injuries.

All 5 crews are returning to the incident command post at the end of shift today in preparation for beginning demobilization on Monday morning.

Night shift worked to contain slopover in the northwest portion of the fire and continued burning out is planned for today. Division Bravo has been split with 2 division supervisors leading either holding or firing resources. Division Golf will continue to hold and mop up.

Another warm dry day with variable winds is predicted. Terrain influenced fire behavior with spotting up to 1 mile is expected as humidity drops and possibly of increased wind speeds are predicted.
